

## Senegal, West Africa

Traveling to Senegal from Los Angeles usually takes roughly 20 hours if there is no delay in Africa or a snow storm in Europe, however our team ran into both scenarios. We ended up spending more than 30 hours before we could arrive our destination. In our journey, other than spending time equipping the believers and ministering to the body of Christ; we also prayed for opportunities to reach a 99% Muslim community. We began to pray and strategize for a children's outreach VBS in 2018. After returning to USA, the district chief council of that Muslim community gave the permission to the pastor for putting together a children's program. It's simply a miracle. Now our local missionaries can openly share Jesus in the neighborhood through this children's program. We are praying and planning to organize a larger scale children VBS (vacation bible school) in fall 2018. Please keep it in your prayer.

## Jerusalem, Israel

As we began our journey in Jerusalem, our first stop was to help prepare food for the hungry children and families in Jerusalem through Yad Ezra, a local non-profit humanitarian organization. God has connected us with the missionaries in Israel to serve and support the orthodox Jews.

**TESTIMONY:** As we were sitting at the local café in Jerusalem, we sensed that our waitress was in need of a word of encouragement. We began to initiate a simple conversation but with an intention to love on her. We began to prophesize and call out few things about her; from her eyes we could see that God was touching this young Jewish lady with the word of knowledge. Then she said, "I used to believe in God as a traditional Jew, but not anymore." But we told her that her God has not forgotten her; He sent us to tell her that she is loved by Him. At the end, our waitress told us that she wants to believe in God again. We are blessed by the love of the Father God, He always sets us up to unlock the hearts of the lost, and bind the broken. Yay Yeshua!

## Kairos Moment

We appreciate you taking time to read through this update. On the next newsletter, we will update you the good works God is doing in Nepal and Bhutan.

In order to provide mission outreach globally, we appreciate the generosity of individuals and businesses for support. Without the assistance of Great Commission-minded individuals just like you, we wouldn't be able to reach farther.

We ask that you make a commitment to support our "Called to Nations" by making a donation.

Our monthly goal is \$3500, and gratefully we hope that you will be able to make a contribution. Your generosity will make a difference in our global mission projects by allowing us to continue sharing with the unreached people groups.
